

# Test cell cooling solutions

The widest range, available from stock, from the leading brand in heat transfer technology.

Bowman provide arguably the most comprehensive range of heat exchangers for engine test cell applications currently available. All products are available fast, with ex-stock delivery on virtually every standard product in the range. Bowman are renowned for quality and durability, so its easy to see why many OEM's already rely on Bowman products for test cell cooling solutions. The comprehensive ranges includes:

**Charge Air Coolers**

**Engine, Gearbox & Lube Oil Coolers**

**Exhaust Gas Heat Exchangers**

**Fuel Coolers**

**Header Tank Heat Exchangers**

**Engine Transmission Coolers**

**Stainless Steel Heat Exchangers**
